📋 Summary

Frontend Developer with 5 years of experience building responsive, data-driven web applications. Specialized in Vue.js and D3.js for creating interactive visualizations and scalable SPAs. Skilled in crafting performant, user-centered interfaces with clean design and code quality. Passionate about innovation and delivering impactful user experiences.

💼 Experience

📅 *2022 - Present*	R-DAS, s.r.o. Bratislava, Slovakia. 🇸🇰 *Software developer R&D*

- Developed and maintained web app with interactive visualizations using Vue.js and D3.js to transform complex IoT data into clear insights.
- Built reusable UI components following ISMS coding standards for performance and consistency.
- Designed rule-based notification systems for devices, boundary alarms.
- Collaborated in an Agile team environment through the full software lifecycle - design, implementation, testing, and debugging.
- Improved data visualization performance and UX by optimizing rendering pipelines and front-end logic.

🚀 Project   **Loghub**

About: Automated monitoring system for temperature, humidity and many other parameters

(Explore)   I've included examples (with permission) of my git contributions and project screenshots showcasing my work.

📅 *2019*   Triton IT Solutions, Chennai. 🇮🇳
                                   Front-end / Android developer

- We team developed 3 Android apps.
- Designed 3 mobile app UX/UI wireframes. (Explore)
- Developed 3 Angular web app from templates.

📅 *2017 - 2018*   Mot Juste Services Pvt Ltd, Chennai. 🇮🇳
                                   Junior Web Designer

- Developed static web pages, strong foundation.
- Designed logos and website mock-ups.

🧠 Skills

(Vue)   (D3.js)   Bulma css framework   Buefy UI library   (HTML)

(JavaScript)   (Flutter)   Gitlab   Jira   (SCSS)   (UX/UI)

Adobe Illustrator   (Figma)   Docker   Android studio   Node

Angular   (TypeScript)   HTML

🎓 Education

Master of Science   **Automated Electrical System & Informatics**
2019 - 2021   Technical University of Kosice, Slovakia

PG Diploma   **UX/UI Design and Development**
2017   ICAT Design & Media College, Chennai, India

Bachelor of Engineering   **Electronics and Communications Engineering**
2012 -2016   Anna University, Chennai, India
